

## AERIE NEWS:

### WEBSITE

www.BlueRidgeEagles.com The Eagles has now joined the 21st century. Thanks to the wonderful people at AshleyCyber Services we were able to put together an easy to use and very informative website. We will be using the website more in the coming future and slowly trying to stop the newsletters. The website will have the calendar of events just like the newsletter. We have included a sheet for everyone to fill out about there email so we can send alerts about functions as reminders and informing you of something being added, both things we haven't been able to do in the past.

Please return the survey so we can determine who we need to mail newsletters to and who will opt out of getting newsletters and use the website for the events.
